Chapter 1 by Ashley

Pansy is the 4 oldest. She is 16 years old. She is the only one in the family with short hair. She always wears pansys in her hair.

Chapter 2 by R

She used to have long hair. She used to braid flowers in to it and walk around like a goddess, floofing it as she walked.

Then she cut it all off with scissors, the trim haphazard, and stared at herself in the mirror as if any of her appearance could change.

She still wears pansies in her hair. They don't quite stay in nicely, but she clips them in with shaky hands each morning, and again each afternoon, before walking out to face the sky with a calm and ready smile.

Most days she will sit on the grass watching as her sisters run around making up games. She will lie there, not quite asleep for fear of trickery but dreaming nonetheless.

When asked what she dreams about, she always says she can't remember.
